

Bonnerr's Ferry Nursery Current Delivery Areas

Bonnerr's Ferry Nursery is located in north Idaho. We are a wholesale nursery that delivers beautiful & unique ornamental trees to our customers throughout the western United States. We are happy to accommodate either a Fall and/or Spring dig.

No order too large or too small. If we don't have a customer that can share a truck for a delivery in your area, we will work with other nurseries in Bonners Ferry that may. Let's work together to add you to our map!
